

LONGMEADOW SOCCER ASSOCIATION  
TRAVEL PLAYER CODE OF CONDUCT

As a representative of the town of Longmeadow, your team, your coaches and yourself there are expectations of conduct and sportsmanship. Players are expected to uphold the philosophies of fair play, sportsmanship, and respect for teammates, opponents, coaches and referees. The essential elements of our code of conduct listed below must be adhered to at all times.

- I understand that representing the Longmeadow Soccer association is a privilege.
- I believe in the value of good sportsmanship and fair play, and will demonstrate such.
- I will always demonstrate positive behavior and respect towards teammates, opponents, coaches, parents, and spectators at games, at practice, and at school.
- I understand the time commitment I have made and will make every effort to attend every game and practice that I can, and will notify my coach if I cannot.
- I understand that my commitment to Longmeadow Travel Soccer must take precedent over other extracurricular activities. If I have scheduled activities that may conflict with this commitment I will discuss them with LSA prior to committing to a travel team.
- I understand that my studies take precedent over my commitment to Longmeadow Soccer, and I will prioritize my school work to minimize conflict.
- I pledge to approach my soccer experience with a positive attitude. I will abide by the PVJSL code of conduct and bylaws.

I hereby agree to this code of conduct policy and understand that my failure to do so may jeopardize my privilege to participate in practices or game play.
